2. **Business use**: The company name & address needs to be available.

Toll-Free Numbers in Belgium

User Registration Not Required

***Please note that once the documentation is received it will take approximately 72 hours to validate the information and activate the number for use.

Please send your request to siptrunksupport@avaya.com. Upon receipt of the request, we will review and provide you a tracking/ticket number. The process begins the next business or much earlier if all the requirements are provided accurately.

Note: Charges will be applied to your account once the number has been assigned to the account.
